# A MESSAGE FROM OUR **Mayor**

Dear Fellow Citizens,

It is my pleasure to present this letter as an update on important projects and events that have occurred within our city during 2024.

We are happy to welcome the John Deer/King Ranch Ag & Turf facility to our city. Denny's is now open for business and welcoming crowds every day. The Courthouse restoration project is still ongoing as well as the 64-unit apartment complex on Hwy 190 East. Work at the Exceptional Emergency Room is ongoing as they convert to a specialty hospital and work at the Mason Jar is almost complete. There are 15 single-family homes being built throughout the city at this time.

In April, the Livingston Police Department held a Drug Take Back Day, where they would accept expired medications for proper disposal. They will still accept expired prescription drugs Monday thru Friday from 8:00 – 5:00. In August, we welcomed Texas State University System to Polk County. We are delighted to have this education center to provide an opportunity for our citizens to further their education, locally. In October, thanks to the Polk County Historical Commission, we held the dedication of a marker at the Old City Cemetery for Moses L. Choate, the founder of Livingston.

After much reconstruction, our Golf Course is open again under the management of Dustin Lowery. We also officially opened the new pickleball courts in Matthews Street Park, and we sponsored two (2) Clean Up days at Pedigo Park.

We had many activities going on in December as a part of our Hometown Christmas which was bigger than ever again last year. We have visitors from out of town that come every year to participate in our activities and see our beautiful lighted decorations.

Our staff still provides excellent customer service while promoting all of the programs that we provide. We are very fortunate to have lots of volunteers who are ready and willing to assist with some of our events each year. Our city is financially sound, with no debt and we do not have an ad valorem tax.

I am honored to continue serving as your Mayor alongside the City Council, the staff, and many volunteers. Our City Council serves many hours without compensation as they strive to make Livingston a better place to live. I am proud to live in Livingston – A Great Place to Call Home.

A handwritten signature in black ink that reads "Judy B. Cochran".
